

Mentee Role Description

Definition: A mentee is someone who desires to grow in faith by being teachable and eager to learn from a more experienced follower of Christ.

Expectations:

- Meet with mentor regularly- establish a mutually determined schedule/frequency for meeting together
- Be authentic and real with each other
- Consistently pray with your mentor in seeking God's direction for your life
- Remain FAT- Faithful, Available, Teachable
- Realize and appreciate that your mentor isn't perfect and may not have all the answers to your questions
- Keep confidentiality a priority
- Respect the boundaries of your mentor and discuss communication preferences (how and when to contact her)
- Be mindful of one another's time. Start and finish on time.
- Show up when a meeting date is set; let mentor or Mentoring Team know right away if you are unable to keep a commitment.
